For 2018 the following projects from the priority list are being continued to be engineered for shovel ready projects.

1. Roy St W
2. Hamilton St. E.
3. Willow Dr.
4. Lorne St.
5. Bruham Ave.

In 2018 the Joint Project with the Town of Petawawa for Achray Rd is continuing and will be funded through Federal Gas Tax. This is the final phase of the project.

B-Line Rd is being completed due to road surface condition and traffic counts.

Micksburg Rd was not considered this year due to financial constraints.
